

In the last three years the National Space Centre's IGNITE! Community Engagement Programme has worked with and inspired over 2,500 young people from vulnerable and low socio-economic disadvantaged backgrounds.

The IGNITE! Business Membership Programme offers you opportunities to partner with the National Space Centre's charity to help us continue making this difference, empowering young people to make positive and sustained changes to their education and future careers.

An IGNITE! Membership also helps you to meet with a network of likeminded organisations and individuals, to benefit yourself, your business, and your workforce.

IGNITE! Package

Company Away Day – includes exclusive meeting room space for 20 delegates, lunch, a teambuilding workshop, and a session in the UK's largest planetarium, as well as access to the galleries and exhibition throughout the day.

Social media and media relations support highlighting participation throughout.

Organisation name, logo and links featured on the National Space Centre's website (2.6million views a year).

Ten tickets to visit the National Space Centre – for your team or use for incentives or prizes online.

Logo and link on all IGNITE! digital communications, presentations, and promotions.

Invitation to a half yearly Business Breakfast Club, including an opportunity to present to other delegates, breakfast, and networking, for two.

Quarterly email updates about programme progress that can be shared with company staff, social media followers and the press.

An opportunity to participate in local Community Space Hubs, to embed your organisation in local communities.

Opportunities for your organisation and team to work with the team at the National Space Centre to develop additional local initiatives and partnerships.

The value of this package is over £15,000 a year, but you can secure your space in the IGNITE! Business Membership Programme for £3,000 a year*
